European  
University Cyprus

# European University Cyprus

European University Cyprus is one of the leading higher education providers in Cyprus. Established as Cyprus College in 1961, the institution was granted university status in 2007. Today, European University Cyprus boasts a student enrollment of over 12,250 across its undergraduate, graduate and doctorate degree programs.

European University Cyprus has established a reputation for quality education with a sharp focus on the employability of its students, and has been recognized for its investment in high-tech innovation and engagement with industry and society. Over the past decade, the university has fostered a culture of modernization that has resulted in levels of growth that have exceeded all expectations, upgrading the quality of tertiary education in Cyprus and defining a clear international orientation for the university and the country.

European University Cyprus has introduced state-of-the-art technology and boosted the country's health sector through the establishment of the most advanced School of Medicine in the region. With the launch of the first Dentistry program in the country and Veterinary Medicine degree, the university offers the most comprehensive studies in the fields of Medicine and the Health Sciences, and is attracting academics and students from around the globe.

At European University Cyprus our core values are the advancement of learning, teaching and research. We are committed to meeting the needs of our university community and society by investing in new ventures and institutes, recognizing the ambition and drive of our staff and faculty and continually developing our facilities and resources.

The university campus consists of modern facilities, well-equipped laboratories, amphitheater lecture halls, student apartments and entertainment venues. European University Cyprus is located in the capital Nicosia, which is the heart of political, economic and cultural activity in the country.

## Schools and Departments

European University Cyprus consists of seven schools offering internationally recognized undergraduate (Bachelor Degrees), graduate (Master Degrees) and doctorate programs (Ph.D.). In addition, the University operates a Distance Education Unit.

# Among the world's top universities

# Rated for Excellence - A five Stars Institution

The QS Intelligence Unit has, through rigorous and independent data collection and analysis of performance metrics as set out in the QS Stars™ methodology, rated European University Cyprus as a Five Stars institution.

European University Cyprus is the first University in Cyprus and Greece to be rated by QS TOP UNIVERSITIES (QS Stars University Ratings), which ranks many of the most prestigious universities in the United States, Canada and Europe, placing it among the top universities in the world on the basis of its performance across several fields.

QS Stars University Rating is used by interested parties and prospective students internationally to get a wider, but also more comprehensive, picture of an institution's qualities, looking at its administrative and academic standing assessing every aspect of a university's performance from teaching and the employability of its graduates to its facilities and social responsibility.

QS Stars is a rating system that conducts a comprehensive and detailed evaluation of an institution examining dozens of indicators across various categories. Following the assessment, universities are awarded overall as well as sectoral star results, which range from 0 to 5 stars, depending on the number of points achieved through the evaluation.

European University Cyprus has been ranked with an overall assessment of five-Stars by QS TOP UNIVERSITIES (QS Stars University Ratings). In addition, EUC has received five Stars for performance in the areas of Teaching, Employability, Global Engagement, Online Learning, Diversity/Equity/Inclusion and the MD Medicine for the competitiveness and strength of the program.

**EXCELLENT**

# Times Higher Education (THE) World University Rankings 2025

8

European University Cyprus stands among the 801-1000 world's top universities in the respected Times Higher Education (THE) World University Rankings.

This ranking places European University Cyprus in the top 3% of higher education institutions worldwide, underscoring its commitment to academic excellence, impactful research and innovative teaching. The university's performance across key indicators such as teaching quality, research output, international outlook and industry engagement contributes to its high standing and reflects its dedication to providing a top-tier education.

As part of the elite global network of universities recognized by THE, European University Cyprus showcases the quality and influence of education available in Cyprus, attracting students, faculty and researchers from around the world.

This achievement highlights the university's success in fostering an environment that prioritizes both local and international academic standards, preparing students for a rapidly changing global landscape.

# Times Higher Education (THE) World University Rankings by Subject 2025: Medical and Health

European University Cyprus has been ranked among the top 501-600 universities globally on the Times Higher Education (THE) World University Rankings by Subject 2025 for Medicine, Dentistry and Health Sciences. Assessed on rigorous performance indicators, this ranking reaffirms EUC's commitment to excellence in Medical and Dental education and other health disciplines.

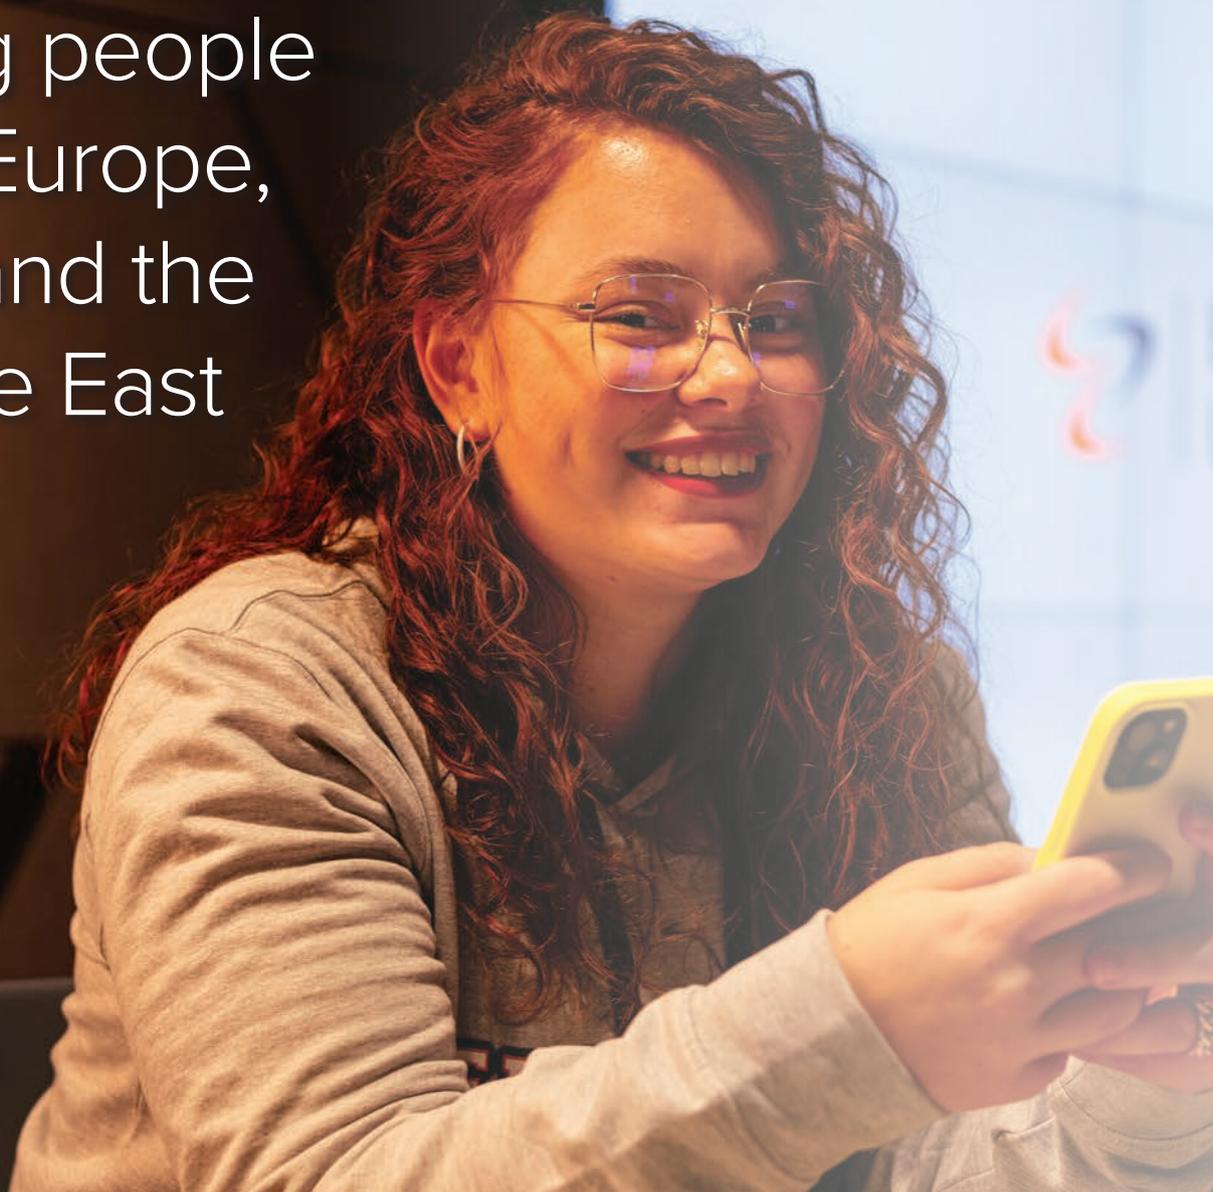

The university offers the most comprehensive range of programs in Medical Sciences, including Medicine, Dentistry, Veterinary Medicine, and Health and Life Sciences. With a total of 29 programs, 13 of which are exclusively offered in Cyprus at EUC, the university is firmly established as a leader in higher education.

EUC is the first choice of hundreds of young people from Europe, Asia and the Middle East

# General Admission Requirements

The criteria for admission to European University Cyprus have been set to enable the Office of Admissions to select students who have the ability to do university-level work and to place students in courses and programs appropriate to their academic strengths, in an effort to help them successfully realize their full academic potential.

Our students come from many parts of the world and bring with them a wide range of academic skills, experiences, special interests, talents and cultural backgrounds. The Office of Admissions aims to form a student body which will give the opportunity to each student to share education and grow in experience as a member of an international community.

All applicants must have completed a secondary (high) school education or the equivalent, to be considered for admission to undergraduate studies, or hold a bachelor's degree for postgraduate studies and master's degree for doctoral studies.

Candidates who have successfully completed part of their studies at an accredited university may be exempted from respective courses in the program they attend at European University Cyprus, thus reducing the period of study to obtain their degrees. For the evaluation of transferred courses, candidates must submit a copy of their transcripts to the Office of Admissions.

## Undergraduate Students Admission Requirements

The general admission requirement for all undergraduate programs is the successful completion of the secondary education cycle. International students will need to submit the following documents to the Office of Admissions, in electronic form to [admit@euc.ac.cy](mailto:admit@euc.ac.cy), at least three months prior to the beginning of the semester in order to be considered for admission to the university and comply with Immigration regulations:

1. A completed application form together with a non-refundable fee of €80\*. Applicants may also apply online at [www.euc.ac.cy](http://www.euc.ac.cy)
2. Official copy of High School Leaving Certificate and grade marksheet, in English, with an average grade of 'C' or above
3. Proof of English language proficiency (if any)\*
4. Copy of a valid passport

### **\*Proof of English language proficiency**

At European University Cyprus, applicants whose native language is not English and do not hold any English Language certificate, can take the university's English Placement Test (EPT), to indicate their English level and placed in appropriate courses. In cases of Non-EU applicants proof of English language proficiency is required due to visa regulations.

For more information regarding recognized English qualifications, please consult with the Office of Admissions.

\* Note: Applications for the MD in Medicine, the DVM in Veterinary Medicine and the BDS in Dental Surgery need to submit a non-refundable application fee of €200

## Postgraduate Students Admission Requirements

The general admission requirement for postgraduate programs is the successful completion of an undergraduate degree at an accredited institution. International students will need to submit the following documents to the Office of Admissions at least three months prior to the beginning of the semester in order to be considered for admission and to comply with Immigration regulations:

1. A completed application form together with a non-refundable fee of €80\*. Applicants may also apply online at [www.euc.ac.cy](http://www.euc.ac.cy)
2. Official copy of a bachelor's degree, in English, from a recognized university, with an average grade of 'C' or above.
3. Official copy of academic transcript, in English
4. Official copy of High School Leaving Certificate and grade marksheet, in English
5. Proof of English language proficiency (if any)
6. One recommendation letter (if applicable) or the names of 2 referees
7. Proof of work experience (if applicable)
8. Curriculum Vitae (CV)
9. Copy of a valid passport

## PhD Students Admission Requirements

Every year, European University Cyprus announces a limited number of positions for various doctoral programs. International students will need to submit the following documents to the Office of Admissions at least three months prior to the beginning of the semester in order to be considered for admission to the university and comply with Immigration regulations:

1. A completed application form together with a non-refundable fee of €80. Applicants may also apply online at [www.euc.ac.cy](http://www.euc.ac.cy)
2. Official copies of bachelor and master degrees (or official letter verifying that the applicant has successfully completed all degree requirements)
3. Official copies of academic transcripts
4. Proof of English language proficiency (if any)
5. Copies of relevant publications (up to two)

6. Research Proposal. The applicant should describe in a coherent and comprehensive manner his/her research proposal not exceeding 1,000 words including: title/research field, aims and objectives, importance of the proposed study, literature review on the theoretical background of the idea and proposed methodology.
7. One letter of recommendation from faculty members of higher academic institutions
8. Other supporting documents such as awards, distinctions, etc.
9. Curriculum Vitae (CV)
10. Copy of valid passport

All eligible applicants will be invited for an interview. The University will conduct interviews in person or online. Applicants will need to produce evidence of their academic performance and credentials. Applicants will be notified of the exact date of their interview.

## Visa Requirements (Non - EU students)

All international, non-European Union students need to obtain a visa to study in Cyprus. Your application for admission to European University Cyprus and issuance of student visa is subject to approval by the Ministry of Education and Culture and the Cyprus Migration Office. Student visas are issued in Cyprus. Upon approval, the Office of Admissions will send successful applicants a copy of the original Entry Permit (Blue Slip). The average processing time for international student visas is approximately 4-5 weeks. Applications that are submitted late will be deferred to the next academic semester.

A Temporary Residence Permit (student visa card) will be issued after students arrive at European University Cyprus and complete all necessary admission, registration and payment requirements. International students holding a student visa must be enrolled for full-time study. Different attestations apply based on your country of origin and/or residence.

For detailed information on student visas, you need to consult with the Office of Admissions.

You may view the visa requirements here

# A vibrant student life with many ways to get involved

# Student Life and Services

Student life is an important aspect of university education as it can offer a unique opportunity to develop leadership and communication skills. Campus life at European University Cyprus focuses on the intellectual, occupational, social and cultural growth and nurturing of students. Students are encouraged to become involved with one or more clubs and student organizations. Extra curricular activities ranging from Legal Rhetoric Speech Contests, Cultural Nights, Meditation, BBQs, Parties, Excursions and Festivals, complement an active campus life and offer ample opportunity for fun and memories.

- Airport pick-up services
- Orientation program for new students
- Welcome back party
- International Student Advisors for continued support
- Continuous self development programs
- Student clubs and associations
- Cultural activities, bazaars, exhibitions, excursions and festivals
- Indoor athletic center
- Fitness center
- Athletic teams participate in various championships
- Music Band, music events and concerts

## Fitness Center

The New Life Fitness Center is located only 5 minutes from the university campus and accommodations units. Our students exercise and enjoy themselves at the New Life Health Center multi-venue, which offers the most comprehensive fitness and health facilities services in the area.

- Indoor heated 21x10m swimming pool
- Aqua Aerobics and freestyle swimming programs
- Ultra-modern gym
- Individual and group fitness programs
- Pilates Studio, Aerial Yoga and static bicycles
- Unique Performance Service to improve athletic performance
- Body Combat, CXWORX, Body Balance team programs
- Aesthetics Centre and Clinical Nutrition Services
- Supervision by highly trained fitness instructors

# Student apartments only minutes from campus

# Accommodation and Cost of Living

The Housing Office is committed to providing you with the resources needed to get the best out of student accommodation and to make you feel at home in Cyprus and at EUC. Its dedicated staff will help you make a choice that fits your personal preferences and budget.

Living in student apartments gives you a full student experience. You can be assured that you will not only have a clean, modern and safe flat within walking distance of campus, but also enjoy the social and academic benefits of living with other students. Student apartments allow for the independence of student life you are looking for, with an incredible support system of like-minded people.

Choose from one of many apartment complexes for EUC students:

- Unihalls Trinity (228 apartments)
- Cyprialife Residence (44 apartments)
- U-City Residence (78 apartments)
- The Med Vyzantiou Student Residences (66 apartments)
- The Med Pouliou Student Residences (35 apartments)
- Unihome Boutique Hall (146 apartments)
- Unihalls Premier (299 apartments)
- New Life Halls (52 apartments)
- Mirage Residence II (36 apartments)
- The House of M (69 apartments)

Most of the EUC apartment buildings are conveniently located only a few minutes' walk to campus, while the others are about a 15-minute walk or along a convenient bus route. All are modern, high-quality, purpose-built living spaces with full amenities and services at your doorstep.

Apartments range from smartly planned, elegant studios to one-bedroom flats, which are fully furnished and include kitchens, en-suite bathrooms and balconies. Many of the building complexes contain TV rooms, social spaces and study rooms and some even boast their own fitness facilities and cleaning services. Other conveniences include laundry facilities, bike storage and parking spaces.

Rental prices vary according to the building and its amenities and the size of the flat; The weekly rent ranges from approximately €150 to €250 depending on the choice of flat. The cost of utilities and internet connection are included in most of the rental agreements.

Choosing to live in one of the student complexes provides the setting for you to create your own community, succeed in academics and connect with university events.

## Off-Campus Accommodation

The Housing Office maintains a list of private apartments/houses for rent very close to campus. The ideal location of the university ensures that students will be able to find suitable accommodation to meet their needs and budget. Typically, the rent for a one-bedroom apartment is between €650 to €800 a month, two-bedroom is between €700 to €850 a month, while the rent for a three-bedroom apartment is between €750 to €1100 a month. The cost of living in Nicosia depends on the lifestyle of each individual. For the average student, it is calculated between €500 to €600 a month.

The EUC cafeteria is centrally located on campus and serves a full range of meals, coffee and snack at regulated prices. The cafeteria/restaurant is open daily Monday to Friday from 8:00am to 9:00pm.
